

FIRE DISTRICT WAIVER OF RESIDENTIAL INSPECTION

Per RSMo 321-228 the Raytown Fire Protection District does NOT issue permits or inspect detached single family or two family residential dwellings within the Fire District's boundaries.

As such, detached single family or two family residential dwellings cannot receive certification by the Fire District indicating compliance with the adopted fire code.

I hereby attest the dwelling located at:

_____, Raytown, MO
is a detached single family or two family residential dwelling.

City of Raytown Rental Division

Date

All other forms of residential dwellings must be inspected prior to receiving certification from the Fire District indicating compliance with the adopted fire code.
